South Dakota Department of Health 2007-2008 Diabetes Strategic Plan Grant Program Call for Proposals

The Diabetes Prevention & Control Program (DPCP) within the South Dakota Department of Health is accepting proposals for initiatives designed to further the *South Dakota Diabetes State Plan 2007-2009*. This Plan, developed by a large group of diverse partners, is a pathway to reduce the economic, social, physical, and psychological impact of diabetes in South Dakota. The Plan can be obtained by contacting Colette at 773-7046 or Colette.beshara@state.sd.us.

Who is Eligible: Partners committed to translating Plan objectives into action.

Use of Funds:

Initiatives that specifically address components of the *South Dakota Diabetes State Plan 2007-2009* will be considered. The desired effect is improved capacity and capability within South Dakota. We invite partners to collaborate for optimal use of resources. Delivery of clinical services or clinical research will not be funded. Items such as blood glucose meters, lancets, blood glucose strips and equipment cannot be purchased. Awarded money may not be used for costs for the creation of new organizations, cash reserves and endowments, fund raising, subgranting, or to promote lobbying or political support. Construction, purchase, or renovation of facilities or purchase/lease of computers or vehicles cannot be supported. General office supplies and postage needed for activities are a legitimate expense and should be noted in the proposed budget.

Amount of Awards: A total of \$75,000 is available. Proposals ranging from \$500 to \$20,000 will be considered.

Awards will be based on:

- Merit of the proposed activities,
- Applicability of the project to the goals of the SD Strategic Plan,
- The scope of the project--local, regional or statewide focus,
- The number of proposals received and
- For previously funded entities, demonstrated ability to implement proposed projects.

Due Date: Applications are due to the Department of Health no later than **5pm on June 6, 2007**. Applications will be reviewed by members of the South Dakota Diabetes Advisory Council. All applicants will be notified of the decision in writing.

Awards are expected to be made in July 2007 with project completion by May 2008. A grant or contract process will be used with the method of fund dissemination depending on several factors.

Proposal Format

Proposals should be no longer than 7 pages. The proposal should be one-sided and no smaller than 11-point typeface. Electronic and printed copies of the proposal will be accepted.

Cover Page	Agency Information <ul style="list-style-type: none">a. Project nameb. Primary agency name, address, phone, fax numberc. Contact name, title, phone, email addressd. Other involved entities and contacts
